

Completion of Forms

Expected Timeframes

How long will it take for forms to be processed?

- A *Release of Information* is needed for most documents to be sent to anyone besides your child's Primary Care Provider or Pediatrician. Sibley staff will request this information before we can begin the process.
- If you would like this information emailed to you; we must have a valid email address in your child's chart.

Obtaining and completing a Release of Information (ROI):

- Visit www.kidsheart.com, scroll to the bottom margin and download *Authorization to Release/obtain PHI* form.
- Email the form(s) that need to be completed along with the Release of Information to:
 - Health Information Services – HIS@kidsheart.com
